## Location

Nakuru County lies in an area of 2,325.8 km<sup>2</sup> and is the fourth largest urban town in Kenya, with a population of 1,603,325. It is located on the Nairobi -Nakuru highway and is one of the wealthiest regions in Kenya with a huge agricultural, transportation and tourism potential.

It is situated at an altitude of 1859 metres above sea level and within the Great Rift Valley. Nakuru County is home to several Rift Valley Soda lakes such as Lake Nakuru as well as other fresh water lakes like Lake Naivasha. Lake Nakuru is best known for its thousands of flamingoes nesting along the shores. The surface of the shallow lake is often hardly recognizable due to the continually shifting mass of pink. It is also home to the second largest surviving volcanic crater in the world, the Menengai Crater at 2,242 meters above sea level. The Hyrax Hill Prehistoric Site, discovered by the Leakeys in 1926, is also considered a major Neolithic and Iron Age site.

**Distance:** Nakuru is located 160km north west of Nairobi. The Site for the World ploughing is Egerton University which is approximately 25Kms from Nakuru Town. The university was established in 1934 and promotes agricultural development in Kenya.

**Climate/weather:** Temperatures range from a minimum of 12°C to a maximum of 26°C. Rainfall ranges from 1800mm to 2000mm per annum with the wettest season during April and May.

**Practice Plots:**

Per country one plot on stubble, one on grassland. Size is approximately 60 m wide X 50 m long.

**Time:**

Opening split/Opening furrow: maximum 20 minutes + 60 minutes stop time for judging + a maximum of 160 minutes for ploughing.

## Preparations before arriving to Kenya

**Passport & Visas:** For up to date details on visa requirements, see Foreign Affairs Ministry site

[www.kenya-evisa-online.com](http://www.kenya-evisa-online.com)

Who needs a visa – find your country on the list:

[www.kenya-evisa-online.com](http://www.kenya-evisa-online.com)

**Transport:** For safety and security reasons the WPO strongly recommend that all delegations hire a driver with their hire car and do not hire a self drive vehicle in Kenya as the driving habits are very erratic. It is not much more expensive and vehicles can be picked up in Nakuru.

**Security:** On arrival in Kenya, visitors will have to become used to the high level of security entering hotel, shopping centres, colleges etc. The process is very similar to that experienced at airports and creates a very secure environment within the compounds.

However, outside there are risks that visitors must be alert to. The rate of crime is high and foreign visitors need to be sensible in their movements. Visitors should not travel from town to town after dark so all flights arriving into Nairobi should be no later than lunchtime.

Additional security measures will be in place:

The WPO have requested Police Escorts for all WPO bus transfers – including airport transfers and tours just as a backup to the group. Egerton College has 3 secured entrances and a perimeter fence. It is a very comfortable environment and Egerton are reviewing additional security requirements for the WPC.

**Accommodation:** The Cathay and Bontana Hotels, Nakuru are 3 star hotels. The accommodation is either single, double or twin and hotels are across road from each other.

**Travel documents:**

**Visas and exemptions:** You may or may not need a temporary resident (visitor) visa to visit Kenya, depending on your citizenship. However, even if you are exempt, there is important information you need to know before you plan your trip.

If you need a visa [www.kenya-evisa-online.com](http://www.kenya-evisa-online.com)

**Insurance:** Competitors, coaches, judges and board members are required to insure themselves against

personal accident, personal liability, sickness, and loss of baggage for the duration leaving home until returning home. Competitors must have their own tractor and plough insured for public liability.

**Vaccination:** Recommended Vaccinations: Hepatitis (A & B), Typhoid, Tetanus, Yellow Fever, Malaria Prescription

**Driving License:** A valid driving license is required for driving tractors or cars. In Kenya, we drive on the left side of the road.

**Currency:** In Kenya the unit of currency is the Kenya Shilling (Kshs). 1 Kshs = 0.97USD. (April, 2017)

Foreign currency can be exchanged at the banks and at Forex bureau/ Bureau de Change found at the airport, the city centre, and in most the shopping centres.

Banks are generally open from 8am to 4:30pm Monday to Friday; however the opening hours may differ from bank to bank and from branch to branch.

ATMs( cash machines) are available at most banks, high streets and shopping centres. You can use international credit cards, debit cards and bank cards at the ATMs providing they have a four digit pin code.

All credit cards that bear Visa, MasterCard or America Express logo are widely accepted. Please confirm with the retailers in advance if you can use any other card.

**Stone for the Cairn of Peace:** Size is 16 x 8 x 2 cm with the Country Name engraved in your language. If you have not already done so please courier your stone to Juliet Wamiri, Kenya Ploughing Organisation, P.O. Box 30176, 00100, Nairobi, Kenya

**Electricity in Kenya:** Electrical supply 220/240 Volts. Outlets in Kenya generally accept 1 type of plug: three square pins (similar to UK). You may need an adapter if your appliances plug has a different shape. You may also need a combination voltage converter.

**Clean Equipment:** All equipment and tools brought to Kenya must be clean. If you rent or borrow any equipment or tools please make sure it is cleaned before you return the items.

**Car Hire:** You may arrange a car hire with the FCM Travel Solutions,  
+254 20 4266000 |+254 722201905 [www.fcm.travel](http://www.fcm.travel)

## **Practice**

**Supervision:** Please do not start any practice before your plots have been pointed out to you by the Practice Marshall in charge! No practice is allowed outside the designated hours or plots unless allowed by the Head Stewards.

**Sighting Poles:** Each competitor will be issued 3 official sighting poles. No other sighting poles are allowed. The sighting poles will be distributed at the start of the official practice.

**Draw for Practice Plots:** The draw for practice plots will take place on Sunday, 26th November 2017 at Hotel Cathay Conference Room @ 20.30

**Briefing of Competitors:** After the draw for practice plots the competitors will be briefed with information regarding the practice fields, rules and infringements. The responsible teams for the Marshaling Yard, Practice Marshals, Plough Inspection team and Head Stewards will be introduced. Competitors MUST attend. Coaches, Judges and Board Members are advised to attend.

**Safety:** The prevention of all accidents, particularly those involving personal injury or damage to equipment and property is paramount.

In host countries where an official Safety Policy is operative, the WPO commits itself to the implementation and enforcement of the host country's policy statement. Where no such declared safety policy exists, the Head Stewards will ensure that the following basic procedures are strictly enforced:

- No passengers will be allowed to ride on tractors or ploughs.
- Tractors should preferably be fitted with safety cabs or roll-over bars.
- Eye-protection goggles and gloves must be worn when using cutting/sharpening/grinding machines.
- Eye-protection shields and/or preferably welding booths should be used when electrical welding, to minimize the risk of glare to all.
- Electrical equipment should be properly fitted and installed. Particular care should be taken to ensure that electrical extension cables are not run-over by tractors and other vehicles.
- The sharp edges of spare upstanding disc coulters must be guarded. These should be taken to ensure that electrical extension cables are not run-over by tractors and other vehicles.
- All ploughs must have a support when a competitor is working underneath.
- Extra tractor wheels not mounted on the tractor must be laid flat down on headland.

The instructions of the Marshalling Yard Supervisor and Parade Directors **MUST BE OBEYED!** Competitors will be penalised if they do not comply with safety rules during practice and contest days.

**TAKE PRECAUTIONS TO PREVENT ACCIDENTS! THE SAFETY CODE MUST BE OBEYED. ACCIDENTS DON'T HAPPEN! THEY ARE ALWAYS CAUSED!**

**Marshalling yard:** The marshalling yard and workshop are located at Egerton University approximately 3 km from the practice fields.

**Practice Fields:** The practice fields are located close to the Competition Grounds.

**Unofficial Early Practice Land:** For countries interested in unofficial early practice it is available at no extra charge. For more information please contact: info@kpo.co.ke

**Prepare for return shipment:** Sunday 3rd December

## Practical Information During Your Stay

**Weather in Kenya (24th November – 3rd December):** Weather can be sunny, cloudy, light rain, Average daily temperatures are between 14°C and 15°C

**Water:** bottled water is recommended in Kenya.

**Internet:** Only available in specific designated places.

**Population:** The population in Kenya is 47 million people. The population in Nakuru is 1.6 million people.

**Tipping:** Tips are not included in hotel, restaurant or taxi bills. You are therefore welcome to tip if you feel you've received good service.

**Measurements:** In Kenya, road signs are in kilometers. Petrol (gas) is sold by the litre, temperature is measured in Celsius, and the electrical current is 240 volts.

**What to Pack:** Dress in layers as the weather is changeable. Most restaurants, other than some formal restaurants welcome casual attire. Bring a raincoat (and wellingtons for the site) just in case. Dress is formal for the Church Service and Plough Banquet.

**Driving in Kenya:** Seat belt use is mandatory for all drivers and passengers in Kenya. Drivers are prohibited from talking, texting or emailing on mobile phones or other devices while behind the wheel.

A valid driving license is required for driving tractors or cars. In Kenya, we drive on the left-hand side of the road. Built up areas (towns and villages) have a standard 50 kms per hour (kph) speed limit, although in some areas (i.e. near schools) it may drop to 20 kph. The speed limit on motorways is 80 kph.
